PRESSKIT 2025

INTRODUCTION

Welcome to Wake Up Event, where electronic music comes to life in a unique way!

We are more than just an event planning team—we create unforgettable experiences.

Imagine yourself in the heart of a vibrant crowd, with a cage at the center of the dancefloor. Our unique concept allows people to move around the DJ, creating an immersive atmosphere and an electrifying connection between the artist and the audience.

At Wake Up Event, we embrace all styles of electronic music, from house to techno to hard music. Each event is a celebration of musical diversity, bringing back the iconic “rave” spirit of the ‘90s while drawing inspiration from today’s festival scene.
